On August 13, 2022, more than 550 people from New England, the Northeast, and beyond will gather in Suffolk University Law School located on the Freedom Trail in Boston.

There is nothing else like History Camp anywhere in the country. This casual conference brings together people from all walks of life for more than 50 sessions on all aspects of history.

Founded in 2014, this highly-anticipated event sells out every year.

History Camp is a project of The Pursuit of History, the non-profit organization that engages adults in conversation about history and connects them with historic sites in their communities and across the country through innovative in-person and online programming including History Camp, History Camp Discussions, and America's Summer Roadtrip™.

This year marks the return of in-person History Camps with History Camp Boston 2022.

Your sponsorship supports History Camp Boston 2022 as well as our year-round work to engage adults in conversations about our past. We believe that more people gaining a broader understanding of history has never been more important. We focus exclusively on history and never discuss current era politics.

The Pursuit of History is offering a range of sponsorship levels with exciting benefits that will enable you to engage with an audience passionate about history in the Cradle of Liberty this summer.

We welcome a conversation about how you can join in The Pursuit of History.
