Boston & Richmond

There is nothing else like History Camp anywhere in the country. This casual conference brings together people from all walks of life for more than 50 sessions on all aspects of history.

And this year, on August 12, more than 300 people from throughout the Northeast and beyond will gather for History Camp Boston 2023.

Founded in 2014, this highly-anticipated event sells out every year.

History Camp is a project of The Pursuit of History, the non-profit organization that engages adults in conversation about history and connects them with historic sites in their communities and across the country through innovative in-person and online programming, including annual History Camps and weekly History Camp Discussions with noted authors and historians.

Your sponsorship supports History Camp Boston 2023 as well as our year-round work to engage adults in conversation about our past. We believe that more people gaining a broader understanding of history has never been more important. We focus exclusively on history and never discuss current politics.

The Pursuit of History is offering a range of sponsorship levels with exciting benefits that will enable you to engage with an audience passionate about history.

We welcome a conversation about how you can join in The Pursuit of History.
